ALEXANDRIA AFFAIRS

Virginia Postmasters Begin
Convention at Elks' Home.
TO CONTINUE THREE DAYS
Royal Street Franchise Will Prob-
ably Be Granted Railway Com-
pany Tonight.

Special Correspondence of The Star.
ALEXANDRIA, Va., October 8, 1912.
With about thirty-five delegates in at-
tendance, the seventh annual convention
of the Virginia Postmasters Association
convened this morning in the auditorium
of the Elks' Home. Its sessions are being
presided over by Edgar Allan, Jr., of Rich-
mond, who is the president of the asso-
ciation. Invocation was pronounced by
Rev. Dr. John Lee Allison, pastor of the
Second Presbyterian Church. An address
of welcome on behalf of the city was
made by Mayor T. A. Fisher and re-
sponded to by R. A. Anderson, post-
master of Marion, Va. This was followed
by an address by President Allan, who
outlined in brief the work accomplished
by the association during the year just
closed. He said that the association now
has a voting membership of eighty, and
that fourth-class postmasters are now ad-
mitted to membership and enjoy all of
the privileges of the association with the
exception of being eligible to serve as of-
ficers of the association.
This was followed by the appointment
of committees. Afterward, the delegates
were made up by E. F. Kimball, superin-
tendent of the Alexandria division, and
R. Spillman, superintendent of the city de-
partment, both of the Washington post of-
fice department.
A luncheon was afterward served the
delegates in the hall. This afternoon the
delegates attending the convention vis-
ited the Masonic Temple and Christ
Church.
Convenes Again Tomorrow.

The business session of the association
will convene again at 10 o'clock in the
morning, with an address by George H.
Thompson, chief clerk to the Postmaster
General.
Next will come the question box of
postmasters, and this will be followed by
addresses by Postmaster Brown Allen,
postmaster Stanton, A. L. Davis, as-
sistant director of postal savings system,
C. H. McElwain, superintendent of division
adjustments, J. B. Cook, superin-
tendent of division of supplies, R. S.
Sharp, chief inspector.
Luncheon will again be served follow-
ing these addresses, and the delegates will
make trips to the city of Alexandria and
the Washington post office during the after-
noon.
On Thursday the business of the asso-
ciation will consist of report of resolu-
tions, election of officers for the ensuing
year and the selection of delegates for
next annual meeting of the association.
The committee in charge of the ar-
rangements of this convention is com-
posed of the following: J. A. Egghorn,
postmaster; Donald L. Atcheson, as-
sistant postmaster; N. L. Williamson, post-
master; clerk and controller for the
ladies composed of Miss Cora Cochran
and Mrs. J. A. Egghorn, all of this city.

Democrats Plan Campaign.
A meeting of the executive committee
of the recently organized Wilson, Mar-
shall and Carlin Club was held last night
at the rooms of the club, at which time
a number of committees were appointed
and other arrangements made for work
during the campaign.
Among the committees named was one
on speakers, and the names of Senators
Swanson and Martin and Messrs. Harry
St. George, Tucker, Henry Stuart and
others were suggested, and efforts will be
made to have some of these speakers
here during the campaign to make ad-
dresses. A committee will also solicit
funds for the club. Judge Norton pre-
sided.
Many new houses are just now being
erected in Rosemont, just north of this
city, and it is understood that a deal is
now being considered for the erection of
ten houses by Washington parties.
Among the houses being erected are the
following: Edgar Warfield, Jr., this city;
W. L. Clark, Washington; S. Russell
Bowen, Washington; Herbert A.
Treat, Wayne, Pa.; S. R. Kirkpatrick,
Philadelphia, and several others.

Take Up Franchise Again.
The franchise for the use of Royal
street by the Washington-Virginia Rail-
way Company will again be before city
council at its meeting tonight. The joint
committee on finance, streets and general
laws will recommend to city council that
the bid of the Washington-Virginia rail-
way for the franchise be accepted. Its
bid is for a thirty-year lease at \$1,000 a
year, and it agrees to pave two squares
on Royal street from Duke to Wolfe
streets.
It is regarded as more than probable
that the franchise will be adopted by
council tonight. This matter has been
pending for some time.
At a meeting of the I. E. Lee Camp, Con-
federate Veterans, held last night at its
hall the camp accepted the donation of
a book on the campaign of the Virginia
Military Institute cadets at Newmarket
from Col. F. L. Smith and also a num-
ber of war-time cartridges donated by
Col. William A. Smead, which were issued
to the men at Five Forks. The book will
go in the library, while the cartridges
have been placed in the museum. Other
routine business was disposed of by the
camp.
Want Asphalt Blocks.
Property owners on the two squares on
Prince street between Washington and
Alfred streets will tonight petition city
council to have these squares improved
with asphalt blocks, they agreeing to pay
their share of the cost of same. These
petitions when presented will be referred
to the street committee. Many other
petitions for the improvement of other
squares are also to be presented at this
meeting.
The members of the Boy Scouts of this
city will tonight at Armory Hall cele-
brate their first anniversary with an en-
tertaining. Fifty Boy Scouts from
Washington are expected to be present
and take part in the affair.
All arrangements have been completed
for the laying of the corner stone of the
Presbyterian building at Prince and St.
Asaph streets at 5 o'clock tomorrow after-
noon by Alexandria-Washington Lodge of
Masons. This will be followed by an ad-
dress by Rev. Dr. John Lee Allison, pas-
tor of the church.

FINE OF \$150 ASSESSED.
**Philip J. Steubner Convicted of Sell-
ing Liquor on Sunday.**
Philip J. Steubner, proprietor of a road-
house on Bladenburg road, was fined \$150
yesterday in Justice Tinsley's court in
violation of a charge of selling liquor
on Sunday. The charge was made by
Attorney Charles Benedict Calvert, the
arrest being made by Constable H. Gar-
rison. The specific charge was that
Steubner had his place open on Sunday,
August 11, and that he sold liquor on
that day to a number of persons found
in the barroom. Steubner entered a plea
of guilty and paid the fine.
The arrest of the roadhouse proprietor
came after the grand jury of Prince
George county had decided to post-
pone its investigation of the alleged grafting
which it has been charged, has been pre-
sented to the grand jury of Prince George
county. The charge has resulted in
illegal selling of liquor, in gambling
and other violations of law. The grand
jury yesterday decided to dispose
of about a dozen cases of persons who
were charged with selling liquor. The
other investigations. This action caused
Attorney Calvert to take action in the
Steubner case.
It is believed the cases coming before
the grand jury will be disposed of today.
In which case the allegations were
investigated tomorrow.

**Sore Throat
Not a
Trifling
Ailment**
Almost every one has had
sore throat—will have it
again. It is one of our
most common ailments,
and because it is itself
not fatal, is too often
looked upon as a small
matter, requiring little or
no attention.
On the contrary, it is a
very serious affection because
every person with Sore Throat
is in danger of Diphtheria
and other serious maladies.
In fact, these diseases are almost invariably
preceded by Sore Throat.
The air we breathe, the food we
eat, the liquids we drink, all pass
through the throat, and if that is dis-
eased infection may be carried to
every part of the system. To cure a
Sore Throat often means to prevent
Diphtheria or one of the other more
serious throat diseases. Curing Sore
Throat is TONSILINE's special mis-
sion. It is made for that—advertis-
ed for that—sold for that purpose.
TONSILINE is the one and only Sore
Throat cure which is sold over a
large part of the United States.
TONSILINE is so well and so skill-
fully prepared that it is a Sore Throat
cure that the first dose gives decided relief,
and a very few doses cure.
Remember—Sore Throat is
Nature's danger signal. Keep
TONSILINE in the house and
be on the safe side of Sore
Throat.

DIVORCED BY COURT

Wife of John Early, Leper, Se-
cures Legal Separation.
CHILDREN IN HER CUSTODY

Famous Case of Local Interest Re-
called by Proceedings in Ta-
coma, Wash.

TACOMA, Wash., October 8.—Mrs. John
Early was granted a divorce yesterday
from John R. Early, the leper, now at
Diamond Point Hospital. She was given
the custody of the three children and \$55
of Early's salary of \$65 a month, which
he receives for acting as keeper of an
other leper.

District Officials Interested.

Officials of the local health department
are interested in the final outcome of the
case that caused them so much trouble
during the time Early was in this city.
It is the belief of some of them that Early
will eventually land in the leper colony
at Molokai, Hawaiian Islands.

Early first claimed the attention of the
local health officials August 21, 1908, when
he appeared at the Salvation Army Hotel,
119 Pennsylvania avenue northwest, where
the condition of his face aroused sus-
picion of the sanitarians. Investigation
was made and it was decided he was a
victim of leprosy. He combated the ver-
dict that he was leper, although experts
had examined him and reported he was
afflicted with the dread disease.

Early's claim was that he was suf-
fering from a form of skin disease, which
had been caused by caustic liquor he
had used while he was working in a
pulp mill at Canton, S. C., not far from
where he was born.

Served in Regular Army.
Early served a regular enlistment of
nine years in the army and later entered
the service in the war between the
United States and Spain. He was with
the command in Cuba and later in the
Philippines and finally, in 1906, quit the
army.

Returning to North Carolina, Early
worked in the pulp mills at Canton for
a time. Leaving there, he arrived in
this city August 18, 1908. Three days
later he was taken to the quarantine
camp on the Eastern branch. He was
cared for in a tent until a more suitable
place was provided, and two watchmen
remained on duty there to see that he
did not escape and to keep others from
coming in contact with him.

Saturday night, July 3, 1909, Early, ac-
companied by a Salvation Army captain,
was escorted to go to New York in a
baggage car. There he was treated by

Required to Leave New York.
Becoming convinced that he could not
reside here without remaining in quaran-
tine, Early, whose pension for total dis-
ability had been greatly reduced by the
federal government, concluded he would
return to New York, and eight days af-
terward he was sent away in a baggage
car.

He again went west and, finding he
could not roam about the country unre-
strained, he became a sort of rover.
Finally he reached Seattle. He was there
when the government sent a leper patrol
from that point to Molokai. Early is
now receiving pay for nursing another
leper and he is also getting a pension.
In her suit entered for divorce, Mrs.
Early made it plain that she had thought
for a long time her husband was not a
leper, but was finally convinced he was
and she found it necessary to seek redress in

the courts in order that she might receive
part of his pension and salary to pro-
vide the necessities of life for herself
and children, and the divorce was granted
yesterday.

AD MEN AT HOUSEWARMING.

warming in its new quarters in the South-
ern building last night.

preceded a "smoker," new members were
